Thanks, Steve. I'm available this morning as well. Let me know what works for you. I think Clarke is also available this morning at 10 eastern if that works. Tomorrow I can talk from about 12:30 – 2:30 central, but I don't have flexibility outside of that timeframe as I'm not scheduled to work tomorrow and will have all three girls at home with me. -Jacquie

Jacque- Andy is brand new to this matter, so I should be on the discussion. I was in my current role on the 2006 and 2009 orders, so can provide the continuity there.

I hope our comments add value to the order, and I can speak to the rationale for all of them. My schedule is very tight right now, but I'm open this morning, and tomorrow (Friday) afternoon; let me know what works for you.

thanks

I have met with Region 3 ORC management today to discuss the draft Order. The following are the major comments. I will assemble another list of the more minor comments to facilitate refining the Order, and will provide it to you as soon as possible. Alternatively, we can discuss them over the phone.
